
HOMESCHOOL PROGRAM

March 2 – April 27th

Program Description

The Homeschool Spring Program is the perfect opportunity for homeschool parents to get their kids into sports without the business of evening activities! The sports that will be taught are: football, soccer, rugby, softball, and baseball with each being taught for two full sessions. With each session being coached by some of the best coaches in Central Alberta.

For each sport, the athletes will be taught basic skills as well as having time to play games.
