

# GET IN THE ACT!

## CANADIAN BADLANDS PERFORMING ARTS SUMMER SCHOOL PROGRAM.

ACT, SING, DANCE, PLAY!

Perform in the extraordinary Canadian Badlands Passion Play and Earn 10 High School credits between acting studies and leadership. You will work with educators and professionals from colleges, theatres and drama troupes to develop performance skills, physical self awareness, stage presence and auditioning skills. You will get new experiences in choral work, dance, physical acting and the philosophy of performance. Take the stage as a performer in the Canadian Badlands Passion Play plus in the Summer School Talent Show and Gala Performance.

Make life long friends.

Attend two great plays at Rosebud theatre.

Explore the exciting Canadian Badlands.

Live in dorm and eat great food.

Dear Fine Arts Teachers,

My name is Thomas W. Stolz (Tom), administrator of the Canadian Badlands Performing Arts Summer School. This summer drama program offers students (Grades 10 – 12) 10 high school credits, 5 in Drama and 5 in Leadership. It runs in conjunction with the Canadian Badlands Passion Play, in Drumheller ([www.canadianpassionplay.com](http://www.canadianpassionplay.com))

Students attending will receive excellent professional training and do all performances of the Passion Play, during our three week program. They will also produce a show at their grade level and have the option to perform in a talent show.

This program is a three week, live in camp, held at St. Anthony's School, in Drumheller. It is an exciting, life changing experience with an intensive week of dance then singing and instruction in drama throughout.

It is a wonderful opportunity for even the shyest student to come, feel accepted and encouraged for the gifts and talents each person has. If a student ever wondered about their performance abilities this is the place to put them to the test.

I end by saying after 28 years of teaching this is the most incredible experience I have the privilege of being part of. I retired last June but I will continue to administrate and attend this program for a long time to come.

I would be happy to come to your school and speak directly to the Music/Drama students.

Sincerely yours,

Thomas W. Stolz (Summer School Administrator)
