

The SWAT Bots are a competitive robotics team based out of Airdrie, Alberta.

There may be a few spots available on the 2015-2016 team for students with mechanical and/or technical aptitude and a passion in these areas.

Students must be high school age.

Registration will be June 2015.

For more information, contact: [swatbots@gmail.com](mailto:swatbots@gmail.com).

We hope that you enjoy watching videos of the SWAT Bots from the [Western Canada Regional](#) as well as the [World Championship](#) in St. Louis.
