DISCOVER A WORLD OF EXCITING CAREER POSSIBILITIES IN SCIENCE, ENGINEERING AND TECHNOLOGY

SET Conference

Get a head start on your future with this amazing one-day experience. Do hands-on experiments, meet fabulous role-models and explore science, engineering and technology (SET) opportunities. **A special one-day conference for young women in high school on Saturday, November 7, 2015 at the University of Alberta. WISEST is happy to offer a limited number of subsidized registrations to young Aboriginal women.**

WISEST Summer Research Program

Learn about trail-blazing research in the best summer job ever! Participate in current investigations, meet incredible people and broaden your horizons. *A six-week paid work experience for young women and men who have completed Grade 11 to gain firsthand information about diverse science and engineering disciplines.* **The WISEST Summer Research Program at the University of Alberta runs from July 5 to August 16, 2016.**

Ask your science teacher or go online at www.wisest.ualberta.ca to learn more about how you can be part of the WISEST SET Conference or the WISEST Summer Research Program.
