Grades 5-9: **Please select whether you would like to take your courses using our Online or Teacher Directed (TD) program.**

The difference between Online and TD for Gr. 5-9:

Online: Online students have access to online teachers for each course who have created the lessons. Online teachers will help with questions, as well as mark assignments and tests. Parental support is beneficial as evidence shows the greater the degree of parental involvement, the greater the degree of student success. The cost of each online course for gr. 5-9 is a one-time $60 Registration Fee per student and a $10 textbook usage fee for each course that requires a textbook. This amount applies only to Alberta residents. If you are a non-Alberta resident, please refer to the fees listed on page 9. **Please note: Online students are required to have Microsoft Office 2007 or later for their courses.** *Pages and Open Office are not compatible.*

Teacher Directed (TD): TD students are assigned a support teacher who, with your input and assistance, will select curriculum which meets Alberta Education's outcomes, develop instructional strategies, and design an assessment plan for your child, all with your input and assistance. This program requires much more involvement from the parent than online education. TD students may take up to four online courses, but with five or more online courses they are considered an online student.
